PERSONAL PROTECTION

SECURITY CONSULTANCY SERVICE

Consultancy Service for Corporate and Individual Clients

G I Limited professionally and expertly prepares you for the security hazards of today and the future. Our consultants ensure all options and contingencies are appraised enabling absolute commercial and personal security.

Security Audits

A security audit provides an independent appraisal of your current security policy. An audit provides an analysis of strategic areas of concern with recommendations to improve security capabilities for today and the future.

Security Evaluation

G I Limited's consultants have an absolute understanding of security procedures to physically test your security management. This unique service provides a lateral approach for the confirmation of investment, development and implementation of a comprehensive security strategy.

PERSONAL PROTECTION

VIP Protection for Companies and Individuals

The threat to businesses and individuals has never been so high. Implications of a security breakdown warrant proactive investment in security. G I Limited, Close Protection Service protects companies and individuals against life threatening situations, with the early identification of potential threats, making effective decisions and denying opportunities of threat.

Our priority is to reduce the possibility of a risk to life, products and corporate sites by denying opportunities for anyone to successfully plan and execute a threat.

VIP Close Protection

World experts provide international and domestic close protection 24 hours a day mobile or residential. Experienced consultants assist clients in advance security preparation and in all aspects of planning and liaison. Protection Officers

carry out all forms of liaison with local police, management and authorities. All VIP protection officers are trained in team close protection drills, emergency medical procedures, vehicle drills, unarmed combat, search techniques, communications, VIP protocol and close quarter small arms shooting for international deployments.

VIP Drivers

VIP close protection drivers are experienced professionals, trained in defensive and evasive driving, anti ambush drills and close quarter small arms shooting.

PRIVATE INVESTIGATIONS

Investigation - A Personal Service

Corporate institutions, executives and employees are vulnerable to sabotage and extortion demands. G I Limited provides surveillance and counter surveillance operations, (watching for the watchers). Each deployed unit has the expertise and flexibility to ensure the highest operational results.

Investigative Techniques

G I Limited investigators are specially trained operators with specialist skills for this environment. It demands advanced technical expertise and diplomacy. We observe the highest standards of confidentiality, sensitivity and ethical conduct in our client relationships.

Covert and Overt Surveillance

G I Limited utilises the most modern and effective surveillance techniques available during overt and covert operations, providing a dynamic edge in surveillance operations.

Counter Surveillance

Extremists and special interest groups use surveillance techniques to gather intelligence to mount campaigns. 'Watching for the watchers' is a specific expertise at G I Limited. Our counter surveillance operations minimise the operational environment of other surveillance teams and thus minimise extremist's activities.
