TRAINING SERVICES

G I Limited's security training courses are fully certified to (Security Industry Training Organisation) SITO/ (National Open College Network) NOCN. Training is carried out through a combination of seminars, briefings and simulations to Security Industry Authority (SIA) standards. Experienced instructors with military/ police/security backgrounds who are experts in their respective fields deliver the courses. Training is available for,

- Individuals wishing to attain an SIA licence to pursue a career in security
- Security professionals wishing to learn new skills
- Security awareness training for corporate clients
- Personal security awareness training for individuals

The extensive range of courses offered is as follows,

- NOCN Level 2 Security Guarding (Static and Patrol)
- NOCN Level 2 Security Guarding (Retail or Education)
- NOCN Level 2 Door Supervision
- NOCN Level 2 Cash in Transit Training
- Advanced Professional Security Training
- Security Awareness Training

NOCN Level 2 Security Guarding (Static and Patrol)

Part 1 - Knowledge Based Training and Assessment.

The course looks at the role and responsibilities of security professionals in relation to customer care and social skills with instruction delivered on dealing with incidents and emergencies, the law and

procedures for control of keys and equipment. Part 1 concludes with assignment instructions and report writing.

Part 2 - Practical Scenario Based Training and Assessment.

Part 2 investigates communications skills and conflict management.

NOCN Level 2 Door Supervision

The course is delivered in two parts,

Part 1 - Role and Responsibilities of Door Supervisor.

This course looks at behavioural standards, civil and criminal law, searching, arrest procedures, drug awareness, recording incidents and crime scene preservation, licensing laws, equal opportunities, H & S and emergency procedures.

Part 2 - Communication Skills and Conflict Management.

The course introduces the theoretical aspects and benefits of positive communications skills and conflict management theory. Thereafter the training addresses the application of the skills and knowledge learnt.

NOCN Level 2 Security Guarding - Retail Sector

Specific job training for retail security guards in line with the SIA licence requirements.

NOCN Level 2 Security Guarding - Education Sector
Specific job training for higher education security guards in line with the SIA licence requirements.

NOCN Level 2 Cash in Transit

The course is delivered in two parts,
Part 1 - Cash transportation: Industry Induction.

The aim of this section is to introduce the new cash and valuables in transit operatives to the industry and highlight key aspects of their roles and responsibilities.

Part 2 - Cash Transportation: Professional Cash and Valuable in Transit Operative.

Building on Part 1, this section trains operatives to perform their duties effectively and efficiently.

Advanced Professional Security Training

Two courses offered to licence holding professionals,

Course 1 - Advanced Security Personnel Training.

Your personnel may have a variety of backgrounds, understanding and training. This course brings all personnel to a single uniform quality standard covering presentation, body language, etiquette, unarmed combat, communications, search techniques, firearms, report writing, planning, court room procedures together with emergency medical procedures including trauma management.

Course 2 - Advanced Security Management Training.

The course trains managers in proactive advanced preparation enabling them to ensure that staff respond effectively and efficiently with the minimum of disruption

to the business environment. Training covers risk assessment, collation of information, formalising security plans/briefings, crisis management, effective use of resources, liaison with local authorities/external bodies and the control of press/media information.

Security Awareness Training

The courses are aimed at persons who are not pursuing a professional security career but never the less have a requirement to learn skills to be better protected and secure.

Two courses are offered,

Course 1 - Executive Security Awareness.

A course for corporate clients, which looks at,

- Training in static and mobile security awareness
- Crisis management instruction
- Hostage and kidnap response and survival techniques
- Defensive and evasive driving

Course 2 - Personal Security Awareness.

A course for individuals, which covers,

- Personal security planning
- Dealing with confrontation
- Emergency medical procedures
- Defensive and evasive driving

The training on offer from G I Limited Security Services offer you the opportunity to new learn skills with full flexibility to your background and current understanding of security. Our courses range from basic awareness to advanced security training.
